#### NOTES:

- Emission of a duplicate of the marketing authorizations is made only upon request, based on the documents attesting the loss of the document, by publishing in the Official Journal of Romania, Part III,
- In case of variations requiring grouping assessment, the fee is calculated for each authorization by summing the appropriate fee for the variation that defines the group and 75 % of the fee for the variation included in the group, applied for each variation of the group, other than the variation that defines the group,
- In case of variations requiring assessment or grouping variations requiring assessment, requested by «work-sharing» procedure, the same fee established for variations or grouping variations requiring an assessment applies, depending on the type of procedure,
- The fee will be paid for each application of a variation not requiring assessment (VNRA), except for the multiple applications due to the technical errors of the system,
- The annual fee for maintaining on the market of the marketing authorization of the veterinary medicinal products will be paid within the first 6 months of the current year for all marketing authorizations valid at 31 December of the previous year.”
